Thanks Isaac. Any chance at getting an electronic copy of the draft permit. Mail system at the Laboratory is very slow (snail mail). Thanks!!!

Mike

Mike,  
We plan to PN draft LANL permit this Saturday (7/29). Hardness addition has been addressed.

Isaac,

Do you need anything information/data from us? I'm curious about the hardness addition at the RLWTF outfall to address copper and zinc. Give me a call if you need anything. Thanks!!!

Mike
